Comments:

Application number 09/701,818 has been revived for the filing of the continuation application number 10/774,082. Since the application number 09/701,818 must be co pending in order to grant benefit to the new application (10/774,082). I have consulted with my supervisor Long Le and Marissa Austin on 6/10/04. Presently, application number 09/701,818 appears to be abandoned, as of May 10, 2004. Did applicant intend to file an RCE in application 09/701,818 for further consideration? No request for continued examination is found in application number 09/701,818. I am faxing a copy of the restriction for 09/701,818 for applicants review. However no action has been sent as of this date in application number 10/774,082. I will send a second notice of abandonment in parent application number 09/701,818; unless directed otherwise. Please feel free to contact me with questions or concerns.
